

TECHNICIAN PERFORMANCE RATING/MILITARY APPRAISALS. Technician Performance Ratings (NGB Form 2) were due on those technicians in grades 5 thru 7 during the month of May. To date many of these ratings have not been received in the TPO. Please get these ratings in immediately. Notification was sent out from the TPO stating that the Technician Supervisor is responsible for initiating the NGB Form 351-2 on all Excepted Technicians and he is also responsible for forwarding the technician rating (NGB Form 2) and the military appraisal (NGB Form 351-2) to the TPO at the same time. Many NGB Forms 2 have been received in the TPO without the NGB Form 351-2 attached. In cases like this, these NGB Forms 2 will be returned to the appropriate supervisor who will hold the NGB Form 2 until receipt of the NGB Form 351-2 and THEN submit both ratings to the TPO at the same time.

(William Feather)

"May we never be tempted to forget that there can be no real success apart from service, that success is but service visualized." (B.C. Forbes)
