BECKER BARKS PARKING PROBLEMS: MSgt George Becker, Security Police NCOIC has issued the following statement:

"Base parking is extremely critical. Security Police ask that personnel be considerate of others by parking properly between the lines. Late comers MOVE to the back of the lots and do not block existing traffic lines. The doors and fenders you save may not be paid for. Last and not least, LOCK your car and TURN OFF the LIGHTS.

The staff recognizes that this has been and still is a major problem and should be solved as soon as possible.

'CATS LOSE BUT SHOW EXCEPTIONAL SAVVY: This doesn't have much to do with the Kentucky Air National Guard except for the fact that both the Wildcats and the Guard represent the state of Kentucky. There is no reason to feel ashamed about yesterday's contest. It just seems that from the start luck had it the 'CATS would falter before they could develop completely. This last bit of luck dictated that four of Rupp's finest would be sitting on the bench having been eliminated for questionable transgressions. In the face of this adversity they still were able to respond to the call to which so many Kentuckians in the past have reacted!

NINETEEN YEARS TO RECOGNITION: Such was the story with recently promoted Captain Edgar Schulz of the aircraft maintenance squadron. After nineteen years in the enlisted ranks, reaching the grade of MSgt., Capt. Schulz was commissioned in order to fill a vacancy created by the untimely death of Lt. Col. Harold R. Scott. Capt. Schulz has more than proven himself to be capable of assuming the duties expected of an Air Force officer, as witnessed by his outstanding record. We salute Capt. Schulz on his appointment and congratulate a very perceptive selection board on recognizing his technical and leadership capabilities.

OFFICER SELECTION BOARD INTERVIEWS FIVE OFFICER APPLICANTS: Yesterday the officer selection board met and interviewed five enlisted men for possible appointment to the officer rank. The five included Sgt. Taylor Davidson Jr., Sgt. Thomas Van Cleve, AIC David Hardin, AIC Edward Tonini and Amn. Benson Taylor. Each individual will be advised today by his commander as to the decision of the selection board.

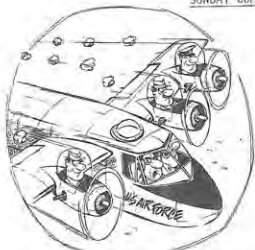

STEREO FOR SALE: RCA stereo console, a steal at \$125.00. Interested? call Tom McClure at the Tac Hospital or at 454-6836.

FEDERAL RECOGNITION TO MORRISON AND SPANYER: Notification of federal recognition to the promotions to 1st Lt has been received. The promotions became effective for both 1st Lt. Morrison and Spanyer on Feb. first.

TODAY'S PROFOUND THOUGHT: TODAY IS THE BEGINNING OF THE REST OF YOUR LIFE Think about it. It applies to every phase of your life.

Happy anniversary Aretha and Ben Franklin.
